## MEMBERSHIP SUBSCRIPTION 2010

Being a member of the Solar Energy Society (UK-ISES) allows you to:

- Attend UK-ISES conferences and meetings at significant discounts.
- Keep in touch with solar and renewable developments within the UK, through 'Solar News', the UK-ISES newsletter, published three times a year.
- Get solar and renewable energy publications at special membership prices
- Communicate with other experts, educators, businesses, students and individuals in the solar and renewable field

Subscriptions for the various categories of Membership of the Solar Energy Society for 2010 are as follows:

| Membership Classification                                     | Category                                   | 2010 Fee (£) |

International Membership combines National UK-ISES Membership with ISES Membership. Additional benefits include a membership card ; a member's email account; the electronic ISES Newsletter - 6 issues per year; Refocus Magazine - 6 issues per year; renewable energy pocket reference books; reduced fees at ISES conferences; reduced prices for all publications (ISES has an online bookshop); access to the ISES members' directory. International Student Members – maximum age 29 years. International Retired Members – 65+ years and proof of age required.

National Corporate Membership enables 3 nominees to receive all benefits of International Membership together with one paper or on-line subscription to Solar Energy Journal. In addition the name and/or logo of Corporate Members organizations are included in all UK-ISES printed products and a link to the organisation is provided on the UK-ISES internet homepage.

Membership subscriptions are not subject to VAT.
